

## Letter of Authorization

**Company:** Juniper Systems, Inc.  
**Address:** 1132 W 1700 N, Logan Utah 84321, United States  
**Product Name:** AGM X2 4G LTE Cellular Phone and Data Collector  
**Model Number(s):** Cedar CP3  
**Product Description:** AGM X2 4G LTE Cellular Phone and Data Collector

I authorize MiCOM Labs Inc., 575 Boulder Court, Pleasanton, California 94566, USA, to act on behalf of Juniper Systems, Inc., in all matters concerning the certification of above named equipment.

I declare that MiCOM Labs Inc. is allowed to forward all information related to the approval and certification of equipment to the regulatory agencies as required and to discuss any issues concerning the approval application. Any and all acts carried out by MiCOM Labs on our behalf shall have the same effect as acts of our own.

For any documents requiring the specific signature of Gary D Spence, or anyone else at Juniper Systems, Inc., for submission, these documents will be forwarded to Gary Spence at Juniper Systems for signatures.

This authorization expires 1 September 2019.
